

Suitably Qualified and Experienced Practitioner (SQEP) List: Soil Contamination Assessments in Tasman District Council and Nelson City Council regions

The following consultants have stated that they are suitably qualified and experienced to undertake Preliminary and Detailed Site Investigations using the National Environmental Standard for Assessing and Managing Contaminants in Soil to Protect Human Health Regulations 2011.

Identification of the consultancies does not imply that council recommends their professional services, nor is the list exclusive. Rather the list is to provide direction to people seeking professional advice.
