

Remission of Rates for Heritage Maintenance Application

Applications for remission of rates for heritage maintenance for 2019 are now open and close on Friday 30 August 2019.

Nelson City Council is offering these rates remissions in order to encourage the maintenance of heritage buildings in Nelson. All owners of heritage buildings listed as either Group A or Group B in the Nelson Resource Management Plan who register a commitment to maintaining their buildings are eligible for the remission.

For further information read the Remission of Rates for Heritage Maintenance Information sheet

Note: Applicants who successfully applied in 2018 are not required to reapply until the next three-year cycle commences in July 2021.

I/We confirm my/our eligibility for a remission of rates for heritage maintenance for the 2018-2021 cycle.
