NELSON RESOURCE MANAGEMENT PLAN - OPERATIVE PLAN CHANGE 15 (HERITAGE)

At its meeting on 29 July 2010 the Council resolved to adopt the Hearing Committee's decision to accept the three submissions to Council Plan Change 15 (Heritage) to the Nelson Resource Management Plan. The reasons for this decision are:

- The Plan Change will help to protect and conserve 10 heritage items through scheduling in the Plan. Protection of historic heritage is a matter of national importance under section 6(f) of the RMA; and
- All three submissions support the Plan Change as notified, and so the Plan Change is now beyond challenge; and
- All landowners of the heritage items support their scheduling.

A copy of the Council decisions is available for viewing at:

At its meeting on 29 July 2010 the Council also resolved to make this Plan Change operative following the completion of the statutory process.

Plan Change 15 will become operative on 9 August 2010.
