

# Atawhai SHARED PATHWAY

IT'S GOT TO FIT - make sure your helmet fits firmly

## SHARE THE PATH

Move off path when stopped

Warn when approaching

**CYCLE HELMET** Cyclists must wear an approved cycle helmet. Your helmet should be positioned properly on your head and must be securely fastened.

**RIDING ON FOOTPATHS** It is illegal to ride on the footpath unless there is a signed cycleway.

**DOGS** on walkways/cycleways need to be on a leash. Some sealed areas are adjacent to designated dog exercise areas where dogs are allowed off leash so cyclists should exercise caution when riding in these areas. You **MUST** have dogs on leash in CBD. Dogs are **NOT** allowed on sports grounds (Neale Park).

**Just had a near miss?  
Just seen a bike crash?**

Phone 0800 CYCLECRASH and tell us about it

**0800 CYCLECRASH**  
0800 292532

Help us make cycling safer

Nelson City and Tasman District Councils, Transit NZ, ACC and Land Transport New Zealand are gathering information to make cycling safer.

BIKING and WALKING - We've been doing it for years!  
Good for you • Great with friends • Safe for our environment

**STAND OUT** - Wear bright clothes and helmet. Use reflectors and lights  
**LOOK AFTER YOUR BIKE** - Remember 5 check points - pedals, brakes, wheels, frame and helmet

**WHEN AROUND WALKERS** - Ride at slow speeds
