Kia Ora Mark

In accordance with s.37 and s.37A of the RMA, an extension to the timeframe for issuing a request for further information on the Maitahi Bayview Private Plan Change request has been issued.

Council has considered the matters in relation to s 37A (1) and (2). The extension of time has been issued to enable consideration of this large and complex proposal and to coordinate between experts assessing the adequacy of the information.

The RMA prescribes a 20 working day period to issue a further information request and this has been extended to 34 working days. You can now expect a request by 4 June 2021.

I wish also to acknowledge your offer of agreement to further extensions of time where the supply of information will assist in understanding the application, in the context of this PPCR process.

Ngā mihi
