Hello Mark

Feedback from meeting 12 June 2020 Maitahi / Bayview

As per our telephone call yesterday ; To clarify our letter dated 22 June 2020

Point 1)

The property owners /residents strongly opposed any zoning change to Ralphine Way / Kaka Valley area.
The property owners /residents want to retain the current zoning of: **Rural** "Higher Density Small Holdings Area"
to maintain the character of the Maitai Valley.

The property owners/residents are opposed to rezoning to Residential.

With the exception of Olorenshaw's at 10 Ralphine Way who support a residential zone for the flatter areas of the proposed development. However, they also want to see the character of the Maitai Valley retained.

yours faithfully

Lyn Marshall
on behalf of Residents at Ralphine Way
