Dear [REDACTED]

LGOIMA REQUEST FOR INFORMATION DATED 24 SEPTEMBER 2019

I refer to your LGOIMA request dated 24 September 2019, for both PM10 and PM2.5 air quality data from 2005 to 2018/19.

The information you requested is enclosed.

In order to provide you with further context in terms of the information you have requested, please note that not all sites have been continuously monitored, which accounts for the gaps in some of the data sets. Additionally some monitoring locations have changed over the years, which is why a number of different graphs have been provided to cover the various sites.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or Freephone 0800 802 602.

If you wish to discuss this decision with us, please feel free to contact Clare Barton at LGOIMA@ncc.govt.nz

Yours sincerely

[REDACTED SIGNATURE]

Clare Barton

Dear Ms [REDACTED],

Thank you for your reply.

Sorry I would like to amend my LGOIMA request for both PM 10 & PM 2.5 to include data from 2005 till 2018/19

Many thanks.

Regards
[REDACTED]

Subject: Re: LGOIMA response - SR1940775

Dear [REDACTED]

Thank you for your response.

Unfortunately due to my misplaced trust in things being done fairly by Clare Barton I did not specify a time frame for the data instead leaving administration as to what was deemed fair & reasonable.

However as the data released only covers one year, I was expecting a bit more. My apologies for my mistake. I wish to LGOIMA request the last 9 years of data collected for PM 2.5 and as Council has recently stated that the PM 10 particle count has dropped I wish to also request 9 years of the PM 10 data.

I assume this is no more trouble than retrieving 1 year of data from computer memory.

Also I do not need to be sent a hard copy of information sought as I have stated a number of times in the past.

Kind regards
[REDACTED]
