Subject: LGOIMA request - s32 Evaluation Reports

Dear Sir/Madam

I am currently completing a dissertation towards a Masters Degree. As part of that research process, I wish to examine how costs and benefits of anticipated environmental, economic, social, and cultural effects have been assessed by your council in accordance with section 32 of the Resource Management Act 1991.

I therefore wish to make a request under the Local Government Official Information and Meetings Act 1987, and would be grateful if you could please send me (electronically) any Evaluation Reports prepared in accordance with section 32 of the Act over the past ten years.

I understand that a decision on a request for information under the LGOIMA will be made within 20 working days of receiving the request. Given my timeframe for research, if at all possible, I would be most grateful if you would be able to provide the reports in a shorter timeframe.

If you have any questions, I can be contacted on [REDACTED]

Kindest regards
