# ACCESSIBLE Nelson

A guide to mobility carparks and accessible facilities around Nelson 2013

## ACCESSIBLE PARKING

The Mobility Parking Permit Scheme is an officially recognised concession-parking scheme owned and administered by CCS with the co-operation of all city and district councils.

Parking concessions are granted to people with disabilities who qualify under set criteria to park as close to their destination as possible.

All qualifying applicants receive a Mobility Parking Permit card, known as a mobility card, which has a membership or permit number. The look of these cards or permits has recently changed. Orange cards will remain valid until the expiry date on them. New look green permits will be issued from December 2012. The card must be clearly displayed on the inside of the front windscreen or the dashboard, while the card-holder is parked in a designated mobility car space. All applications have to be certified by a doctor and a fee is charged for the permit.

### PERMIT HOLDERS ARE ENTITLED TO USE:

- Accessible car parks (outlined in blue/yellow and displaying the wheelchair symbol)
- Standard car parks and metered spaces for longer than stated times
- Time-restricted zones, eg. P30 for longer than stated times as set out in local by-laws

### TO BE ELIGIBLE, THE APPLICANT MUST EITHER:

- You are unable to walk and always require the use of a wheelchair, or
- Your ability to walk distances is severely restricted by a medical condition or disability. If for example, you require the use of mobility aids, experience severe pain, or breathlessness, or
- You have a medical condition or disability that requires you to have physical contact or close supervision to safely get around and cannot be left unattended. For example, if you experience disorientation, confusion, or severe anxiety.

Individuals with a temporary disability can also apply for a Mobility Parking Permit mobility card.

For an application form, contact your general practitioner, medical specialist or nearest CCS branch. Remember that permit cards can only be issued with your doctor's signed approval. Mobility permit cards are available for up to five years.

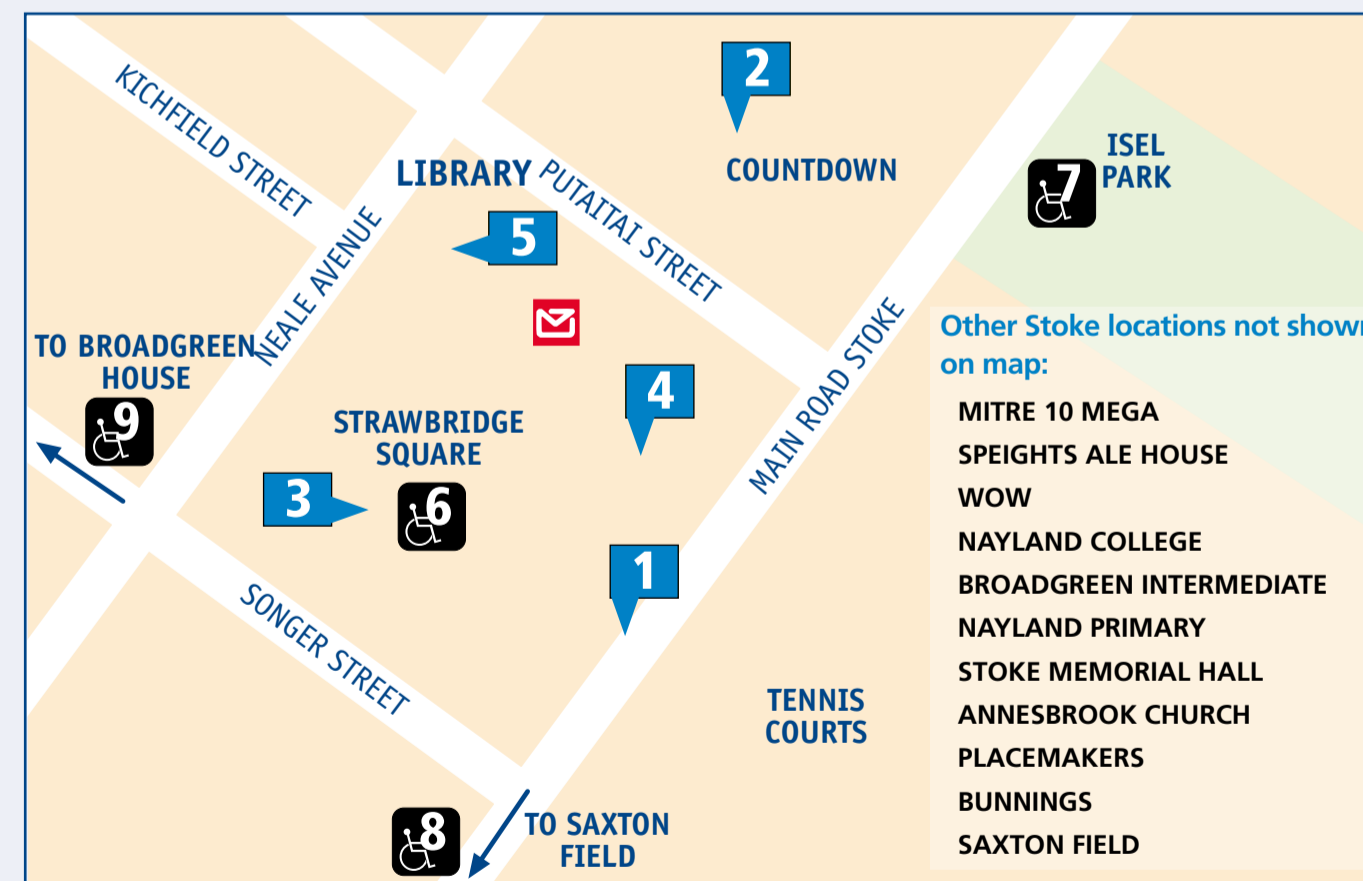

### FEES

Short term permits, valid for up to 12 months \$30.  
Long term permits, five year term \$50

### CCS PARKING PERMIT HOLDERS WHO WORK IN THE CITY

An additional permit is available (on application) for an extension of time in Nelson's parking squares for CCS Parking Permit holders who are working close by. Further information and an application form is available online (refer to [www.nelsoncitycouncil.co.nz/parking/](http://www.nelsoncitycouncil.co.nz/parking/)) or from the Customer Service Centre.

# STOKE

## Mobility Carparks

- 1 MAIN ROAD STOKE, outside shops

## ABOUT THIS MAP

Nelson is proud of the ongoing improvements to the city's accessibility.

This parking map is designed to help you get around the city; it lists mobility car parks in the CBD, Stoke and Tahunanui, as well as wheelchair accessible toilets and accessible ATM's.

Further copies of this map are available from Council offices or CCS.

You can find out more about the mobility parking permit scheme at:
