### 1) Event Applicant

Name: Contact Details:  Phone: Email:
---

### 2) Event

Name:  Date:  Start and Finish times:  Sound Check times:  Location:  General Description:   Expected number of participants:  <i>Please attach a copy of your programme and a layout map.</i>
---

### 3) Details of proposed sound

Describe the proposed use of amplified sound <i>e.g. PA system, Background music, intermittent announcements, concert, etc</i>
---

**4) Details of proposed amplified sound equipment**

Describe the proposed amplified sound equipment  
*Include stereos, AV equipment. Please list all devices and their specifications*

  
  
  
  

Rated output of sounds  
*The maximum wattage and number of speakers and the frequency range characteristics of each speaker (i.e. deep base, base, mid-range, treble); If available please provide as sound power levels.*

**5) Layout of proposed amplified sound equipment**

Please attach a layout map of the event  
*Include number, location, height and orientation of devices and speakers, and distance from the nearest residential boundary etc*

**6) Sound System Operators and Contractors**

Name:  
Company:  
Contact details:

  
  
  

Signature confirming that the application's noise information is correct:

**7) On-site Contact Person during the event**

*Person who is responsible for ensuring noise limits are met throughout the event*

Name:  
Contact details:  
Mobile Phone:

## **8) Amplified sound management**

Describe how amplified sound will be managed and what noise control measures will be used to reduce the impact of noise during the event:

*Include comment on how you will comply with the relevant noise management plan for the site, For example:*

- .- positioning of speakers close to the ground, especially bass speakers*
- orientation of speakers away from residential boundaries*
- orientation and positioning of stages to minimize on-stage noise*
- control and calibration of sound levels and spectral characteristics*

## **9) Other sound generation**

Describe other sound amplification or sound generation system and/or devices such as vehicles, aircraft, generators, stationary engines, alarms and sirens, explosive devices (such as fireworks and other pyrotechnics, starting pistols, etc.):

## **10) Residents Information (if applicable)**

Please attach details of letter-box drop to neighbouring residents, and include a copy of the information provided.
