'the number of days that the Trafalgar Centre was hired for (or the number of hires, if days are not tracked) in the 2018, 2019, 2023, and 2024 calendar years, as well as the two calendar years immediately preceding CLM becoming the contractor facility.'

The information you requested is below.

Year	Number of events	Number of days booked
2015	0 – Closed for renovation	n/a
2016	16 – Partial closure for renovation	Data not available
2017	39	Data not available
2018	63	Data not available

In order to provide you with further context in terms of the information you have requested, please note that Trafalgar Centre was closed in December 2013 due to concerns about

earthquake risk. In 2015 - 2016 there was significant work completed for structural strengthening of the southern extension and DSM (Deep Soil Mixing) ground strengthening. Partial bookings were accepted from late March 2016.

Due to a changeover in IT systems, we do not have the information available for the number of days booked surrounding events prior to 2021.

Number of days booked include pack in and pack out days on either side of actual event days.

The contract for management of the Trafalgar Centre was awarded to CLM in September 2017.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or Freephone 0800 802 602.
