Dear Chris

**OFFICIAL INFORMATION REQUEST FOR DETAILS OF RESOURCE CONSENTS
REQUIRING WATER TESTING IN THE NELSON REGION**

I refer to your official information request dated 3 April 2024 for '*detailed information regarding all active resource consents within your jurisdiction that necessitate the testing of water for E. coli, total coliforms, or faecal coliforms*', and specifically:

- 1. The location or address of the activity being conducted under the consent.*
- 2. The type of activity or operation that the consent covers.*
- 3. The specific conditions related to water testing, including the frequency of testing and any required methodologies.*
- 4. The limits or standards set for the levels of E. coli, total coliforms, or faecal coliforms in the water being tested.*
- 5. The geographical coordinates (latitude and longitude) of the activity's location.*
- 6. The contact address or details for the holder of each consent*

Below is a summary of the actively monitored resource consents and a link to a folder of associated decision documents, which contains the requested information:
