**OFFICIAL INFORMATION REQUEST FOR INFORMATION RELATING TO WOOD BURNER PERMITS ISSUED BY COUNCIL IN AIRSHED B1 SINCE JANUARY 2020**

I refer to your official information request dated 07 August 2024 regarding the issuing of wood burner permits in Airshed B1.

The method for managing authorised new wood burners within Airshed B1 is through the issuing of a 'burner allocation certificate'.

From a search of our document management system, two certificates have been issued since January 2020 for:

Note: When an authorised burner is replaced, a certificate is not required to be issued.
