OFFICIAL INFORMATION REQUEST FOR INFORMATION ABOUT PARKING INFRINGEMENTS AND PARKING MACHINES

I refer to your request of 15 February 2024 for the following information:

- 1. How many parking tickets have been infringed by Nelson City Council in the six month period from 31 August 2023 to 1 February 2024?*
- 2. How many parking machines have been reported as broken or temporarily out of order in the six month period from 31 August 2023 to 1 February 2024?*

During the period 31 August 2023 to 1 February 2024, Nelson City Council issued a total of 5654 parking infringement notices. Please note that parking infringement notices are issued for a number of different types of parking offences, not all of which relate to parking machines, for example, parking on a broken yellow line.

During the above-mentioned period, there were 139 reports of parking machines being broken or temporarily out of order. These reports relate to 58 machines.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or Freephone 0800 802 602.
