Dear [REDACTED]

OFFICIAL INFORMATION REQUEST FOR SPEED BUMPS COST.

I refer to your official information request dated 20 March 2023 for the cost, including traffic management of the road bumps installed on Motueka, Franklyn and Tipahi Streets.

The information you requested is enclosed.

Costs including traffic management were

- Motueka Street crossing work \$78,230
- Franklyn Street raised tables work \$77,000
- Tipahi Street raised tables work \$42,000

This work was part of a larger project known as "Streets for People" which attracted a 90% subsidy from central government. It involved not just placement of speed humps, but also creation of a shared pathway, improved road marking, curb and intersection changes, and landscaping.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or Freephone 0800 802 602.
