Dear [REDACTED]

OFFICIAL INFORMATION REQUEST FOR PLANS REGARDING SPEED CONTROL

I refer to your official information request dated 27 March 2024 requesting advice on "what planned installation of traffic road bumps NCC has".

The information you requested is enclosed.

A contract for safety improvements at the Toi Toi Street and St Vincent Street intersection is currently being tendered. This project will include raised crossing platforms on all four approaches to the roundabout.

No other work involving raised platforms or speed humps is committed at this stage. Future work will depend on the outcome of the Joint Regional Speed Management Plan and available funding.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or Freephone 0800 802 602.

If you wish to discuss this decision with us, please feel free to contact Margaret Parfitt Transport Manager - margaret.parfitt@ncc.govt.nz ph 035460390.

Yours sincerely

Alec Louverdis

Deputy Chief Executive/Group Manager Infrastructure/Recovery Manager
