Dear [REDACTED]

OFFICIAL INFORMATION REQUEST – TRAFFIC COUNT DATA ON LOCAL NELSON MAIN ROADS

I refer to your official information request dated 17/06/2024 for traffic count data for main local roads in Nelson. You initially requested the most recent daily and weekly traffic counts, including where possible by vehicle type (light/heavy), on all arterial and principal streets (as shown in the roading hierarchy in the operative Nelson Resource Management Plan) including a map or other description (e.g. adjacent property street address) of the physical location of the traffic counting points.

Following a telephone discussion with Manager Transport and Solid Waste, Marg Parfitt, on 25 June 2024 your request was refined to be the most recent daily and weekly traffic counts, including where possible by vehicle type (light/heavy), on Waimea Road and Rutherford Street including a map or other description (e.g. adjacent property street address) of the physical location of the traffic counting points.

The information you requested is in the document attached. If you wish to discuss this decision with us, please feel free to contact Manager Transport and Solid Waste, Marg Parfitt, on margaret.parfitt@ncc.govt.nz You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at www.ombudsman.parliament.nz or Freephone 0800 802 602.

Yours sincerely
